

ARCHIVES OF PHYSICAL MEDICINE AND REHABILITATION

SUBJECT INDEX

NOTE: Abstracts of scientific papers presented at the annual meetings of the American Congress of Rehabilitation Medicine and the American Academy of Physical Medicine and Rehabilitation in Kansas City September 29-October 4, 1985, are indicated by (abs).

A

- ABDOMEN, infected renal cyst in SCI patient (abs), 552
- ACADEMY, American, of Physical Medicine and Rehabilitation
 . . . abstracts, 47th annual assembly, 521
 . . . Krusen award recipient, E.W. Johnson, 60
 . . . liaison council members, 479
 . . . PM&R societies, 479
 . . . President, 1984-85, G.H. Kraft, 60
 . . . Presidential address, A.E. Grant, 277
 . . . 47th annual assembly program, 520
- ACCESSORY NERVE, latency, 23
- ACCIDENT PREVENTION, low cost safety for head trauma (abs), 527
- ACCIDENTS, anterior hypopituitarism (clinical note), 44
- ACETAMINOPHEN, drug absorption in SCI, 298
- ACOUSTICS, engineering and medical aspects of acoustic myography (abs), 573
- ACTION POTENTIALS, conduction velocity technique, 592
- ACTIVITIES OF DAILY LIVING, apartment to assist hospital-home transition (abs), 549
 . . . application of sickness impact profile (abs), 524
 . . . benefits of early mobilization of elderly (abs), 563
 . . . collaborative evaluation of SCI systems (abs), 575
 . . . congenital heart disease, 289
 . . . dietary principles in a chronic pain program (abs), 576
 . . . Framingham study of independent living (abs), 541
 . . . hook hemi-harness in trapezius palsy (abs), 550
 . . . interactions for post rehab stroke patients (abs), 565
 . . . multiple sclerosis and rehabilitation outcome (abs), 539
 . . . optokinetic nystagmus and ADL, 164
 . . . quality of life after stroke (abs), 567
 . . . scoring for pain management activity diaries (abs), 562
 . . . Tufts assessment of motor performance (abs), 536
 . . . unhandicapping the disabled (abs), 527
 . . . use of assistive devices by children, 430
- ADAPTATION, PSYCHOLOGICAL, group psychotherapy with MS patients, 810
- ADAPTIVE EQUIPMENT, for C6 quadriplegia (devices), 829
- ADULT, causes and risk factors in burns, 746
 . . . cognition retraining for brain-injured, (abs), 555
 . . . cognitive therapy to achieve goals, 693
 . . . heterotopic ossification in head trauma, (abs), 536
 . . . isokinetic shoulder-muscle testing, 384
 . . . social opportunities for disabled (abs), 567
 . . . strength training in women, 223
 . . . video feedback therapy for brain-injured, (abs), 546
- AFFECTIVE SYMPTOMS, prediction of treatment response (abs), 550
- AGED, spinal stenosis, 149
 . . . strength training in women, 223
- AGING, isometric contractile properties of rat muscle (abs), 545
 . . . peripheral nerves in Alzheimer patients (abs), 542
 . . . relationship of stroke, age and fibrillation (abs), 568
- ALCOHOL DRINKING, alcoholism screening for the spinal cord injured (abs), 542
- ALCOHOLIC INTOXICATION, substance use and SCI (abs), 521
 . . . by SCI patients (abs), 550
- ALCOHOLISM, sensory nerve conduction studies (abs), 525
 . . . screening for spinal cord injured (abs), 542
 . . . survey of alcohol use by SCI patients (abs), 550
- ALZHEIMERS DISEASE, peripheral nerves in, (abs), 542
- AMBULATION, benefits of early mobilization in elderly (abs), 563
 . . . vertical wheeler in cerebral palsy (devices), 717
- AMBULATORY CARE, detachable cast pylon for below-knee amputees (abs), 571
- AMBULATORY CARE FACILITIES, electrospinograms (abs), 530
- AMITRIPTYLINE, for agitation (clinical note), 180
- AMNESIA, closed head injury in SCI, 41
- AMPLIFIERS, effect of gain on motor latencies (abs), 557
 . . . MUP parameter changes and EMG filters, 601
- AMPUTATION, arterial occlusion in children (abs), 556
 . . . effect of insensitive foot rehab program (abs), 551
 . . . functional changes in vascular amputees, 508
 . . . hemiplegia with leg amputation (abs), 525
 . . . hip prosthesis for children (abs), 571
 . . . prosthetic devices in below-knee, (abs), 544
- AMPUTATION STUMPS, heterotopic ossification, (abs), 522
 . . . relief of phantom limb pain (clinical note), 466
- AMPUTEES, assertiveness training for, 687
 . . . augmented auditory information, 243
 . . . components for upper extremity prosthesis (abs), 523
 . . . detachable cast pylon for below-knee, (abs), 571
 . . . double socket prosthesis (abs), 572
 . . . flex-foot prosthesis for bilateral amputee (abs), 552
 . . . gait patterns of children with amputation, 736
 . . . geriatric amputee prosthetic use, 742
 . . . heterotopic ossification (abs), 522
 . . . postoperative dressing in below-knee amputee (abs), 560
 . . . prosthetic hook design evaluation (devices), 399
 . . . prosthetic management of lower limb amputee (abs), 538
 . . . sitting balance while reaching forward (abs), 529
- ANALGESICS, chronic pain in SCI, 777
- ANALYSIS OF VARIANCE, statistics in rehabilitation, 322
- ANGIOGRAPHY, brachial plexus dysfunction (abs), 564
- ANKLE, orthosis for rheumatoid disease (abs), 537
 . . . phenol block of tibial nerve for spasticity (abs), 561
- ANKLE JOINT, tibial nerve injuries, gait abnormalities, 80
- ANTHROPOLOGY, PHYSICAL, vector diagrams in gait, 682
- ANTIBIOTICS, SCI and pseudomembranous colitis (clinical note), 394
- ANTITHROMBIN III, deficiency in paraplegia, 307
- ANXIETY, assertiveness training for amputees, 687
- AORTOCORONARY BYPASS in stroke patients (abs), 529
- APHASIA, communication skills program evaluation (abs), 572
 . . . dysgraphia after right hemisphere stroke (clinical note), 182
 . . . group art therapy for severe aphasics (abs), 547
 . . . idioms in dysphasia, 697
- APPOINTMENTS AND SCHEDULES, condensed hospital chart flow sheets in rehab (abs), 552
- ARCHIVES OF PM&R
 . . . information for authors, 55
 . . . manuscript reviewers, 200
- ARM, breakaway cuffs for platform walker (abs), 545
 . . . motor unit recruitment (abs), 541
- ART THERAPY, for severe aphasics (abs), 547
- ARTERIAL OCCLUSIVE DISEASE, functional changes in vascular amputees, 508
 . . . in children (abs), 556
- ARTERIOSCLEROSIS, functional changes in vascular amputees, 508
- ARTHRITIS, JUVENILE RHEUMATOID, treatment compliance, 427
- ARTHROPATHY, NEUROGENIC, charcot joint after SCI (abs), 526
 . . . diabetic Charcot spine (clinical note), 463
- ASSERTIVENESS, training for amputees, 687
- ATAXIA, Friedrich's, and pregnancy (abs), 526
 . . . functional limitations in cardiology patients (abs), 577
- ATRIAL FIBRILLATION, relationship of stroke, age, (abs), 568
- ATTITUDE toward rehabilitation (abs), 535
- ATTITUDE TO HEALTH, assessing pain patients' attitudes, 806
 . . . toward rehabilitation (abs), 535

- AUDIO-VISUAL AIDS, audio-taped exercise for therapy (abs), 529
 AUDITORY PERCEPTION, computerized auditory comprehension program (abs), 568
 AUTOMOBILE DRIVING, hand vs. foot controls, (abs), 571
 AUTONOMIC NERVE BLOCK, thermography in sympathetic dystrophy (abs), 544
 AUTONOMIC NERVOUS SYSTEM, heart rate response in quadriplegia, 763
 AXILLA, brachial plexus dysfunction (abs), 564

B

- BACK, bone mineral density and back extensor strength (abs), 569
 . . . EMG biofeedback in fibrositis and low back pain (abs), 549
 . . . outpatient rehabilitation for low back pain (abs), 568
 . . . prediction of treatment response (abs), 550
 . . . SEPs in chronic low back syndrome (abs), 540
 . . . video games to increase sitting tolerance (abs), 527
 BACKACHE, desmoid tumor complications (clinical notes), 332
 . . . inversion devices and lumbar distraction, 100
 . . . litigation and pain treatment outcome, 95
 . . . pelvic spinal posture aid for back pain (abs), 574
 . . . shock absorbers for low back pain, 145
 BACLOFEN, hallucinations in acute withdrawal (abs), 564
 BASAL METABOLISM, energy expenditure in SCI, 420
 BEDDING AND LINENS, special mattresses, 246
 BEDS, energy conservation of heart rate in bedmaking (abs), 566
 . . . special mattresses, 246
 BEHAVIOR, cognitive deficits after stroke (abs), 538
 . . . communication and behavior deficits in rehab (abs), 565
 . . . low cost safety for head trauma (abs), 527
 . . . staff observations of patients' behaviors (abs), 566
 BEHAVIOR THERAPY, abnormal gait, 119
 . . . physical therapy and behavior modification (clinical note), 113
 BIOMECHANICS, ankle-foot orthosis in tibial nerve paralysis, 212
 . . . leg-length discrepancy, 822
 BIOMEDICAL ENGINEERING, special mattresses, 246
 BIOMETRY, statistics in rehabilitation, 322
 BIOPSY, pressure sores, 177
 BLADDER, emptying dysfunction (abs), 567
 . . . urodynamic evaluation of detrusor response, 160
 BLADDER, NEUROGENIC, manual stimulation of reflex voiding (clinical note), 459
 . . . use of sphincters in bladder dysfunction (abs), 540
 BLOOD CIRCULATION, plethysmographic waveshape, spectrum analysis, 280
 BOARD, AMERICAN, OF PM&R, new diplomates, 651
 BODY COMPOSITION, in SCI, 257
 . . . musculoskeletal profiles of hockey players (abs), 521
 BODY FLUIDS, metabolic changes in SCI, 156
 BODY WEIGHT, inversion devices and lumbar distraction, 100
 BONE AND BONES
 . . . bone mineral density and back extensor strength (abs), 569
 . . . measurement of sound velocity through bones (abs), 538
 . . . osteopetrosis as cause of cervical myelopathy (abs), 561
 . . . physical fitness effects on bone mass (abs), 530
 BONE DEVELOPMENT, heterotopic ossification in Guillain-Barre syndrome (abs), 550

 BRACES, physical therapy and behavior modification (clinical notes), 113
 . . . scoliosis management in DMD (abs), 530
 BRACHIAL PLEXUS, dysfunction (abs), 564
 . . . wrist-elbow orthosis (abs), 547
 BRADYCARDIA, heart rate response in quadriplegia, 763
 BRAIN, effect of lateralized lesions on cognition (abs), 528
 . . . magnetic resonance imaging (abs), 538

BRAIN INJURIES, agitation and rehabilitation outcome, 30

- ... cognition retraining for adults (abs), 555
- ... communication board for physically disabled, 827
- ... communication in rehabilitation staffing (abs), 541
- ... community program for, 38
- ... comprehensive perceptual remediation, 353
- ... incidence in SCI, 227
- ... network of research grants for vocational rehab (abs), 544
- ... neurophysiologic inferences in tooth brushing (abs), 558
- ... pharmacologic management, (clinical note), 472
- ... reality orientation after, 626
- ... sensorimotor group activities for, (abs), 556
- ... spasticity and customized adjustable orthoses (clinical note), 397
- ... video feedback therapy for adults (abs), 546
- ... Wechsler memory scale performance (abs), 572

BRAIN STEM, communication board for the physically disabled (clinical note), 827

- ... auditory evoked potentials (abs), 522
- ... condensation vs rarefaction clicks in BAEP (abs), 528
- ... evaluation of function (abs), 524
- ... recovery of sensorimotor deficits (abs), 556
- ... SEPs during spinal cord monitoring (abs), 540

BREAST DISEASES, functional outcome in breast cancer therapy (abs), 577**BURNS**, cause and risk factors in, 746

- ... complications of heterotopic ossification (abs), 575
- ... model for rehabilitation (abs), 563
- ... neuromuscular problems, 451

C**CALCITONIN**, in immobilization hypercalcemia (clinical note), 640**CARDIOLOGY**

- ... cardiac classification system for rehab therapy (abs), 553
- ... cardiac protocol in stroke rehabilitation (abs), 534
- ... cardiac rehab for improving exercise tolerance (abs), 554
- ... functional limitations (abs), 577

CARDIOVASCULAR SYSTEM, wheelchair sports update (abs), 554**CAREER MOBILITY**, physiatric career values and professional growth (abs), 550**CAROTID ARTERIES**, stroke rehab after carotid endarterectomy (abs), 550**CARPAL TUNNEL SYNDROME**, subacute (abs), 569

- ... characteristics of (abs), 546
- ... cold hand effect on diagnosis of (abs), 546
- ... effects of infra-red stimulation (abs), 539
- ... median nerve distal sensory latency (abs), 564
- ... midpalmar latencies (abs), 537
- ... neuropathy secondary to pyridoxine ingestion (clinical note), 634
- ... sensory palmar stimulation, 598
- ... stimulation of median nerve motor fibers (abs), 546
- ... thermographic evaluations (abs), 571

CASE MIX, concurrent illness in rehab outpatients (abs), 546

... DRGs and rehab medicine in the VA (commentary), 125

... effects of DRG prospective payment on rehab (abs), 548

... Horn Index for prediction of rehab outcome (abs), 555

CASTS, SURGICAL, diabetic neuropathic foot ulcerations (abs), 573

... outcome of total contact casting (abs), 574

CATHETERIZATION, external, 310

... protocol for Foley catheter management (abs), 535

CAUDA EQUINA, syndrome with diabetic neuropathy (abs), 547

... diabetic charcot spine (clinical note), 463

... sacral stenosis compromising (clinical note), 825

CEREBRAL INFARCTION, optokinetic nystagmus and ADL, 164**CEREBRAL PALSY**, locomotor prognosis, 614

... hip flexion contracture measurements, 620

... vertical wheeler in (devices), 717

CEREBROSPINAL FLUID, CSF rhinorrhea (clinical note), 391**CEREBROVASCULAR DISORDERS**, Balint's syndrome (abs), 561

... bladder emptying dysfunction (abs), 567

... cardiac protocol in stroke rehabilitation (abs), 534

... cognitive deficits after stroke (abs), 538

... community reintegration therapy (abs), 525

... cost effectiveness of computed tomography (abs), 561

... CVA and swallowing disorders, 372

... CVA laterality vs multifactorial index parameters (abs), 539

... disability and psychosocial outcomes in stroke (abs), 572

... dysgraphia after right hemisphere stroke (clinical note), 182

... estimate of stroke rehabilitation efficiency (abs), 541

... evidence of multiple memory systems from stroke (abs), 528

... Framingham study of independent living (abs), 541

... hemiparetic upper extremity function (abs), 576

... hypersexuality in stroke patients (abs), 557

... idioms in dysphasia, 697

... interactions for post rehab stroke patients (abs), 565

... motor unit recruitment (abs), 541

... necrosis in rehabilitation unit (abs), 537

... prophylaxis of deep vein thrombosis (abs), 574

... prospective payment and rehab outcome (abs), 531

... prospective payment for stroke hospitalization, 773

... quality of life after stroke (abs), 567

... quantitative analysis of stroke treatment (abs), 560

... re-entry into work force following stroke (abs), 553

... relationship of stroke, age and fibrillation (abs), 568

... sexual problems in stroke patients (abs), 557

... shoulder forearm support (devices), 188

... social functioning assessment, 496

... stroke rehab after carotid endarterectomy (abs), 558

CEREBROVASCULAR DISORDERS, SURGERY, stroke patients with bypass surgery (abs), 529**CHEMICAL ENGINEERING**, vasoactive medications for impotence treatment (abs), 548**CHILD**, arterial occlusion in children (abs), 556

... energy expenditure in handicapped children, 302

... hallucinations in acute baclofen withdrawal (abs), 564

... handicapped children in the public schools (abs), 552

... hip prosthesis for children (abs), 571

... manual muscle testing in meningocele, (abs), 554

... use of assistive devices, 430

CHILD DEVELOPMENT, cerebral palsy locomotor prognosis, 614**CHORDOMA**, cause of chronic pain (clinical note), 457**CHRONIC DISEASE**, and the physiatrist (commentary), 195

... illness and grief, 447

CLASSIFICATION, ulnar neuropathy (clinical note), 785**COGNITION**

... anterior hypopituitarism (clinical note), 44

... cognitive modifiability studies in rehab (abs), 570

... retraining for brain-injured adults (abs), 555

COGNITIVE DISORDERS, after stroke (abs), 538

... cognitive dysfunction, 489

... cognitive-linguistic assessment of head injured (abs), 565

... computer-assisted visual perception (abs), 526

... effect of lateralized lesions, (abs), 528

... incidence of occult head injury in SCI, 227

... pharmacologic management in head injury (clinical note), 472

... re-entry into work force (abs), 553

... reality orientation, 626

COLD

... cooling effects on H and T reflexes (abs), 525

... hand effect on diagnosis of CTS (abs), 546

... scientific basis for cold therapy treatment (abs), 542

COLITIS, spinal injury and pseudomembranous colitis (clinical note), 394**COMMUNICATION**, aide in rehabilitation hospital (abs), 554

... communication skills program evaluation (abs), 572

... community reintegration therapy (abs), 525

... disorders in multiple sclerosis, 675

... in rehabilitation staffing (abs), 541

... physiatric career values and professional growth (abs), 550

... population trends in a rehabilitation center (abs), 555

... prediction of failure in chronic pain rehab (abs), 559

... PULSES profile in retrospect (commentary), 647

... quantifying nonvocal performance, 380

... quantitative analysis of stroke treatment (abs), 560

... scoring for pain management activity diaries (abs), 562

... Tufts assessment of motor performance (abs), 536

... visual attentional deficits in head injury (abs), 549

COMMUNICATIVE DISORDERS

... behavior deficits in rehab (abs), 565
